The image shows a Google search results page. At the top, there's a navigation bar with links for Web, Images, Groups, News, Froogle, Local^{New!}, more », Advanced Search, and Preferences. Below the navigation bar is a search bar containing the query "data decomposition method". To the right of the search bar are two buttons: "Search" and "Advanced Search". The main content area displays search results, starting with a link to a page about the Richard Tapia Celebration of Diversity in Computing.

WebResults 1 - 10 of about 4,950,000 for **data decomposition method**. (0.23 seconds)**Richard Tapia Celebration of Diversity in Computing: Abstract Guide**

Traditionally, the abstract covers an Introduction, **Methods**, Results and Discussion
